

Hopes and Dreams for Tori

To whom it may Concern:

This year the committee will be holding a benefit in memoriam of Paul Clisham. Paul lost his 4-year battle with cancer on September 16, 2007. Paul was a father, a husband and a friend to many. Paul fought this terrible disease with everything he had and to the last day would tell you he was going to beat it. Through his life Paul always put others first. In his worst times, he cared more about others than he did himself. Paul leaves behind his loving wife Catherine and their 6 year old daughter Victoria (Tori). Tori who suffers from autism has a long road ahead of her which holds much uncertainty and many challenges, even more so now without her loving father at her side. We are working very hard to ease the financial burden both Catherine and Tori are going to face in the future.

I am contacting you on behalf of the fund raising team to request your support in the form of a tax-deductible donation to The Tori Clisham Foundation. I hope we can count on you for a generous donation of \$100 or more. However, please note that any donation amount is always welcomed. We are also requesting donations in the form of gifts for our silent auction to be held the day of the benefit. The Tori Clisham Foundation benefit is being held on *Sunday, June 1, 2008 @ 115 Bourbon Street, 3359 W. 115th Street, Merrionette Park, IL.*

On behalf of the Committee, I thank you for your time and consideration. We look forward to whatever support you can provide. The Tori Clisham Foundation couldn't do it without the generosity of donors like yourself.

Warm Regards,

Jennifer Hahn
