

Hopes and Dreams for Tori

On September 16, 2007, Paul Clisham, 37 years of age, lost his four year battle with cancer. Paul was a father, a husband, and a friend to many. He was also a 14 year veteran of the Chicago Police Department. Paul fought this terrible disease with everything he had and to the last day would tell you he was going to beat it. Throughout his life Paul always put others first. In his worst times, he cared more about others than he did himself.

Paul leaves behind his wife, Catherine and daughter, Victoria (Tori). Tori is six years old and suffers from Autism. The future for Tori holds much uncertainty and many challenges,

Please join us in trying to help ease just some of the burden as we try and relieve some of the financial hardship faced by Catherine and Tori.
